MINI CLUB OPENING TIMES

10.00 AM – 12.00 PM
 15.00 PM – 17.00 PM
 18.30 PM – 19.45 PM (6 Days a Week)

We always strive to provide a wide range of activities for all, so we have a great outdoor programme for our sporty members and team building, enabling children of all nationalities to get to know each other and make many new friends. In the afternoon we like to take things inside where it's nice and cool and get our creative heads on. So Kids here is just a few examples of what we get up to in our clubs.

Croco's Mini Club Can enjoy 'a walk on the wild side' with our animal masks, beach buddie's sandcastle making, make your own muppet heads and race your legs off in one of our many team games.

Croc's Rock Club We always remember to keep this club's COOL image as we know that once you are past 7 years old you no longer consider yourself as a kid WE KNOW!!!! So all our team events are up to date with our 'SURVIVOR' day, 'Get me wet if you can' with endless waterbomb attacks, basketball, football and our full on energetic DODGEBALL. For our creative gangs, make your own handbags, design your own NAIL ART and glitz yourselves up with our WHO'S GOT THE LOOK'.

So into the evenings, kids, whilst the adults are getting ready for the evening, why not join us. We start off with our own dinner time at our Kid's Club Buffet area, after dinner we head off for film time, where you can catch up on some of your favourite movies. Then its time to head off to our open air disco where you can join us on the dance floor breaking out your own dance moves.

SPECIAL ACTIVITIES FOR THE CHILDREN

We at Aqua Fantasy are very Eco Friendly so we at the Croco's Mini Club do our special activity called 'Adventurer's Walk. We take the children around our Eco friendly grounds looking out for all the wildlife, butterflies, insectsetc, flowers that poke their tongues out, and head off to feed the turtles.

RECYCLING

Should you wish to leave behind any toys, buckets and spades, waterfloatsetc, we at the Croco's Kids Club are always recycling so feel free to leave any items you do not wish to take back home with you, as we can always make good use of these.

SPA / WELLNESS

Massages:

Aromatherapy Massage

A method of massage using oils obtained from a mixture of plant extracts which have powerful effects and can easily be absorbed by the skin. This massage features low rhythms, light movements and full relaxation. This leaves a soothing and relaxed body. 30/50 min.

Zen Massage

A perfect escapade for feeling renewed. Applied at lower or medium levels of intensity, this Swedish massage reduces stress, accelerates blood circulation, relaxes muscles and refreshes your mind. 30/50 min.

Therapist's Choice

Let our therapist create a treatment appropriate for your specific needs. Each therapist uses a combination of massage techniques to create a perfect therapeutic care experience. Our therapists start this care with reflexology. 60 min.

Deep Tissue Massage

The tension within your body settles within deep tissues and muscles causing your muscles to ache. Deep Tissue Massage is a regulative and therapeutic massage designed for problematic areas. It is extremely efficient for disposing of toxins out of your body and it is especially preferred by those who like tough massages. Deep tissue massage is a perfect method for relaxing physically, psychologically and mentally, solving blockages and stimulating energy flow. 50 min.

Back Massage

In this therapy, muscles are loosened and pains and aches are attenuated. Since nerves start from the backbone and are distributed throughout your body, this massage directly affects your nerves and relaxes your nervous system. It is especially efficient in the elimination of problems such as headache, insomnia, stress, back and neck pains and cricks. 25 min.

Bronzing Massage

Our organic sun tanning oil provides ultimate protection. Both carrot and cocoa oils provide utmost tanning while protecting the tissue from sun's detrimental UV lights. This product presents one hour protection and we suggest you remain out of direct sunlight between 11:00am and 15:00pm. 50 min.

King & Queen Massage

A therapy that makes you feel like a king and a queen in a luxury environment. Two expert therapists will apply a whole body massage with synchronized movements. This synchronized movement of four hands at the same time, leaves you with an unforgettable experience. 60 min.

Gold Massage

Using massage oils contain atomized gold powder that generates a golden shiny look on the skin. Our essential oils, hazelnut and sweet almond, are quickly absorbed by the skin as particularly the hazelnut oil penetrates through the skin very rapidly. Because of the nature of hazelnut oil, these products are very rich in vitamin E. This leaves a soothing and relaxed body. 60 min.

Exotic Massage in open air

A soothing massage therapy with Classical Swedish Massage at the Balinese House in the peaceful and calming garden of SPA or on the beach. 30/50 min.

Sunburn care

Our completely organic centaury-almond-aloe Vera oil mixture is used to improve inflamed areas that may occur during unprotected tanning sessions.

Anti-Cellulite Massage

Cellulite massage activates blood and lymph circulation and provides a tissue filled with fresh oxygen. With special cellulite oils, orange peel like appearance under the skin can be destroyed. For a better result, we recommend 3 sessions are taken over a week: 25 min.

World's Famous Massages

This is a holistic experience by creating a healing energy flow between the therapist and you...

Hawaiian LomiLomi Massage

Meaning "massage" in the Hawaiian language, "LomiLomi" is the soft Hawaii Massage executed by one or more therapists. It is a rhythmical and flowing massage type that is applied particularly on the arms and elbows parts of your body; LomiLomi reduces stress by bringing out happiness and relaxation, for an experience that is just like a beautiful dance. Your articulations get loose and your spirit is liberated with these warm-hearted and welcoming touches, sweet smelling warm body oils and Hawaiian music, thus a deep relaxed feeling is achieved. 60/90 min.

Bali Massage

This massage is unique to the Indonesia's Bali Island. It starts a foot massage, and continues with a long strong touch gliding over the body. Increasing effective pressure to release the body's energy, leaving you with a renewed and strengthened body. Natural oils will be used during the massage to release muscle tension and accelerate blood circulation in the whole body. Your mind will feel an extraordinary relief. 60/90 min

Thai Massage

This is a massage of Far East Thai-origin which includes pressure movements on the points over the energy channels in your body, in order to ensure energy flow balance. The massage also includes passive yoga movements on a large ground cushion for the flexibility and activity of articulations. In general, stretching and pressing movements are dominant in this massage. At the end of a Thai massage, the person obtains a perfect result. All of the muscles of your body relax, gains wellness and your energy reaches a peak level at the end of this Thai massage. The feeling of rest and the elimination of stress during this massage is maintained for a long while. 60/90 min.

Indian Head Massage

This massage was born out of Ayurveda which is the "science of life" in India. Indian Head Massage is a special massage that is applied with aromatic oils in the upper body, shoulder, neck, scalp, hair and face regions. It accelerates blood circulation and reduces stress by relaxing your muscles with its special technique. It relaxes and rests your mind and cleans you of the problems stored within your body from emotional stress. 45 min.

Hot Stone Therapy

This therapy begins with placing heated volcanic stones on certain parts of your body. Sliding and rubbing volcanic stones on your body absorbs the stress and aches in your body. This therapy removes toxins from your body and ensures relaxation and deep circulation, which is extremely important for the lymph system. 60 min.

Foot Reflexology

As Leonardo Da Vinci said, "feet are a wonder of engineering". Reflex points within the feet, correspond to all other points throughout the body. It is a pressing technique applied with the hands and fingers. With this method the body's own mechanism of self-treatment are enhanced by physiological activation and relaxation of the body... 45 min.

Ayurveda

An ancient therapeutic healing massage which originated in India more than 5000 years ago. The meaning of the word is the science of life. Ayur means life and veda means science. The purpose of this massage is to restore integrity of body, soul and mind. It calms the soul and gives vitality. It opens all the energy channels and contributes to restoring the joy of living. Therapists start this massage with a very special hot oil. 60 min.

Babor Facial Care & Body Care
